Elba man arrested on an attempted murder charge in stabbing incident

An Elba man faces an attempted murder charge after an apparent stabbing incident last weekend.

Coffee County Sheriff Scott Byrd said his deputies responded Saturday, Oct. 19, to a call of a victim suffering from multiple stab wounds, located in the 100 block of Coffee County Road 257, New Brockton, Ala. Reportedly, after deputies made contact with the victim, the assailant was identified as Lonzo Head, age 59, of Elba, Ala.

Sheriff Byrd said Head was arrested a short time later by deputies. He was charged with attempted murder and placed in the Coffee County Jail. His bond was set at \$75,000 in this case.

Elba Parks and Rec football teams qualify for upcoming Pea River Youth League playoffs

The Elba Parks and Recreation's little league football and cheer season is nearing the playoffs, and Parks and Rec director Greg Hanchey reports that all three Elba teams - Mini Mites, Termites and Pee Wee - will make the playoffs for the Pea River Recreation League.

Currently with a record of 6-0, the Elba Mini Mites team has secured the first place seed for the playoffs, which will be held Saturday, Nov. 2, at Elba's Tiger Stadium.

"Our Termites and Pee Wee teams control their

own destiny for a top seed," Hanchey said this week. "This Saturday, Oct. 26, will be the final week of regular season play."

The Elba Termites team heads into Saturday's game with a 5-1 overall record tied with Goshen for the top spot on the playoff bracket.

The Pee Wee team also is 6-0 heading into the final regular season game. They are tied with Daleville for that top spot heading into the final week of the regular season.

"We are excited to host the football playoffs and cheer competitions for the

Pea River League in Elba on Saturday, Nov. 2," Hanchey said. "Games will begin that day at 12 noon at Tiger Stadium."

He said the official pairings for the Nov. 2nd playoffs would be released after this Saturday's games.

The Superbowl for the league will be Saturday, Nov. 9, at Zion Chapel with games beginning that day at 9:30 a.m.

"We have had an exciting season for all our rec teams, and I hope all Elba fans will come out the next few weeks to support these young Tigers," Hanchey said.

ELBA BOE APPROVES CONTRACT WITH NEW SUPERINTENDENT...During the board's regular monthly meeting Tuesday, Oct. 22, Elba Board of Education members voted to approve a contract with new superintendent Donny Powell. The contract is for 2 years and 8 months, which aligns its expiration with the end of the regular school term. Powell officially will begin work as Elba's next superintendent of schools on Friday, Nov. 1, 2024. Also, during the meeting, board members approved a new three-year contract with Valiece McKelvy, chief financial officer of Elba City Schools. Above, the new superintendent is pictured with school board members. From left: Kristy Astemborski, Johnny Senn, superintendent Donny Powell, Debra Clark, Miranda Russell, and DeAnn Grantham.

Elba City Schools students Keelie Moseley, junior, and Taylor Day, sophomore, recently represented Elba and the State of Alabama at the FCCLA Fall Leadership Training at the Disney Leadership Institute in Florida. While there they not only enhanced their leadership skills, but they also networked and collaborated with FCCLA members from across Alabama and other states. Moseley and Day said their experience at Disney was filled with valuable lessons and connections that will strengthen Elba's FCCLA chapter and the community. The two students were accompanied on the trip by Elba Career Academy director Christina Morgan. Keelie and Taylor are pictured above enjoying their time at Disney Leadership Institute.

Elba's Pumpkins on the Square event set for Thursday, Oct. 31st

Halloween kicks off in force Thursday, Oct. 31, at 6:30 p.m. in Elba for one of the Wiregrass area's most fun fall events. For one evening only, Elba hosts Pumpkins on the Square a Halloween extravaganza round the square.

The event is presented by the City of Elba and Elba Chamber of Commerce. It is made possible thanks to the support of Chamber member local businesses, churches and organizations.

"You're invited to dress up your little ones, don a costume of your own, trick-or-treat at the ultimate neighborhood—Elba's Court Square—come and join the block party at Pumpkins on the Square beginning at 6:30," said Elba Chamber director Sandy Williams. "Pumpkins on the Square is a family-focused event where neighbors can meet fellow neighbors and have Trick-or-Treat fun in a safe environment. It is inspiring to work with our business community, organizations, and churches that are all dedicated to helping make trick or treat a safe event for area children."

The City and the Chamber of Commerce invites families to come early to shop and dine before joining the party.

This year's festival will include decorated tables shattered around the Square sponsored by civic groups, business folks, and church groups all distributing free candy. Offerings of other fun activities for the whole family to enjoy will also be available.

There will be events such as the Hayride, jumpy houses, Marley Acres Petting Zoo, and the costume contest. The Coffee County Extension Service's Farm City Committee will again sponsor free locally grown boiled peanuts. Other vendors and businesses and food trucks will have offerings around Court Square. And there will be live music. Businesses, churches and organizations giving out treats to local children should bring their own tables and set-up anywhere they would like around Court Square. Children will trick or treat at the tables along the sidewalks and on the Courthouse grounds.

Event admission is free. Parking is free.

For more information, call the Elba Chamber of Commerce 334-897-3125.

Cuzin Lou Lou and Sister surprised Papa with an idea to take him out to eat this past Sunday evening in honor of what would have been his and Mama's 51st wedding anniversary.

Lou Lou and Sister had in mind taking Papa to a nice restaurant that had a variety of offerings for the meal, but after a conversation with Papa that afternoon, the anniversary meal became a trip to the Waffle House!

Lou Lou and Papa were discussing his and Mama's wedding day, and while Lou Lou had envisioned her parents having a nice wedding day meal...well, it turns out they simply went home and Mama cooked "breakfast" for their supper that night.

"Are you telling me you didn't even take her out for supper on your wedding day?" Lou Lou asked Papa.

"Nope. She wanted to just go home and cook for us," Papa replied.

He said they hid their vehicle and went home. Mama cooked a meal of breakfast foods, and Papa said it was perfect for them.

Anyone who ever had an opportunity to eat food cooked by Mama knows it was nothing short of an excellently prepared meal, but Lou Lou still can't believe that was their wedding night meal. She doesn't know why it surprises her so much...after all, living a simple life is how the Yonder Gang has

always approached things, but it still caught Lou Lou off guard just a bit when Papa fondly relived the memory.

It led Lou Lou to ask, "Well...do you just want to go eat at the Waffle House tonight so you can have breakfast again?"

"Suits me!" was Papa's response to that question.

So, when it came time to go out for supper, Lou Lou and Sister took Papa to the Waffle House! It must have been good too because they all enjoyed their two eggs scrambled with bacon, and toast. The only difference was Papa ordered grits whereas Lou Lou and Sister each had hashbrowns smothered.

Hey...Lou Lou is always game for a trip to the Waffle House, even if it is in honor of a 51st marriage anniversary. While Lou Lou and Sister found it funny to go there for the meal, they both realized later that evening that they had "done good" in Papa's eyes.

Before retiring to bed for the night, he went to each and thanked her for "thinking of him on his and Mama's special day." Now, that made it all worthwhile!

Papa and Mama's love story was not one that would bring Hollywood calling to make a movie about them, but as far as Lou Lou and Sister and concerned their marriage and the family they created was what dreams are made for and lived out!

Mama may not be with the gang any longer here on earth, but she is always with them as they continue this thing called life.

Until next time...God Bless and Keep Smiling!

Windy Thoughts

Elba Elementary School is celebrating Red Ribbon Week – a campaign that places emphasis on living a drug-free life. As part of the celebration, the students and teachers enjoy themed 'dress up' days throughout the week. Tuesday just happened to be camouflage day when a young deer decided to bust through a window at the elementary school and run down the hallways! Some of the school staff were able to follow the little guy/gal down one hallway and eventually open a door letting him/her escape back outdoors. A video showed the deer promptly making a return to the woods. The deer appeared to somehow escape the little misadventure unharmed. Our guess is it was the 'talk of the day' for the remainder of Tuesday at the school, and camo dress up days will never be quite the same again at EES!

We've seen the stories and videos of Vice President Kamala Harris at a recent presidential campaign rally in Wisconsin where she told some folks in the crowd that had yelled "Jesus is King" and "Christ is Lord" that they were at the wrong rally. She further said they must have meant to be at a smaller gathering down the road. She received cheers from many in the crowd at her presidential campaign rally. We had hoped this would turn out to be something taken out of context because we do not want to believe any presidential candidate for the United States would have said or done such a thing. But...alas, it appears the reports are accurate. As a Christian, we, personally, find this unacceptable behavior. Our guess is Harris responded the way she did because she felt like it would gain approval from the majority in the crowd for that campaign rally, but for her to want to gain cheers from others by denying the Lord blows our mind. We must not forget...this nation was founded on Christian values and beliefs. While it has seemed to grow further and further away from those values over the years, the bottom line is Jesus is King for Christians! To imply otherwise is to mock Christianity and those who are believers. That is just not appropriate for a presidential candidate in our opinion. Harris is human and we all make mistakes...we just pray this was a mistake on her part that particular day, and she truly did not understand what had been said.

Three local volleyball teams from the area reached the "playoffs" for girl's high school volleyball. The girls from Elba, Kinston and Brantley are competing this week in the AHSAA Regional tournament. All three teams are in Class 1A. We wish the young ladies "good luck" as they represent their schools and communities at the volleyball tournament.

While Elba will play host to the annual Pumpkins on the Square event Thursday, Oct. 31, beginning at 6:30 p.m., city officials also last week designated a time for neighborhood door-to-door trick-or-treating. Many had indicated they enjoy having a time for the old-fashioned door-to-door trick-or-treating for their children separate from the Pumpkins on the Square event, and city officials listened to those requests to designate a separate time. We applaud them for listening to the community and providing a time for all to enjoy. Some may do one or the other while most will participate in both...either way, the Elba officials opened the door for everyone. We support that decision. As a matter of fact, we too enjoy the door-to-door part as we love seeing the youngsters dressed in costume and having a good time! We, again, this year will be passing out candy, and freshly popped popcorn at our Elba home...and, we are adding cotton candy to our treats this year! The machine is ordered and should be ready to go this upcoming Saturday, Oct. 26, for the neighborhood door-to-door trick-or-treating! The designated time is from 4:30-6:30 p.m. As for the new cotton candy making machine, we feel like we will have to give it a "trial run" before Saturday so our blood sugar may be running a bit high by week's end!

SHOT

(Continued from Page TWO)

• Seasonal Influenza (Flu) – It is recommended that all individuals 6 months of age and older, with rare exceptions, get an annual flu vaccination. Vaccination is particularly important for people who are at higher risk of developing serious flu complications. Those 65 years of age and older are recommended to have one of several specific flu vaccines designed for this age group and are encouraged to ask their vaccination site for more details.

• RSV (Respiratory Syncytial Virus) - RSV is a common respiratory virus that usually causes mild, cold-like symptoms. Most people recover in a week or two, but RSV can be serious. Infants and older adults are more likely to develop severe RSV and need hospitalization. Currently, the Centers for Disease Control and Prevention (CDC) recommends an RSV vaccine for all adults over age 75, those from ages 60-74 with certain health conditions, and pregnant women between 32 and 36 weeks of pregnancy. RSV immunization is also recommended for all infants up to 9 months if the vaccine was not given during pregnancy and some infants and children up to age 23 months.

• Pneumonia - Pneumococcal disease can affect those of any age. However, young children and older adults are at risk of

serious illness and death due to this disease. The CDC recommends pneumococcal vaccination for all children younger than 5 years old and all adults 65 years or older. Even if you have received a pneumococcal vaccine in the past you may be due for an updated vaccine.

• COVID-19 - It is recommended that everyone 6 months and older get an updated 2024-2025 COVID-19 vaccine. Infants, children under age 5, and people who are moderately or severely immunocompromised have specific recommendations for COVID-19 vaccines. Please contact your health care professional, preferred local vaccination site such as a pharmacy, or local county health department for 2024-2025 COVID-19 vaccine information and availability.

The statewide organizations also want to remind the public that simple hygiene efforts, such as washing your hands, covering your mouth and nose when coughing or sneezing, and staying home when you're sick can also help protect against these infectious diseases.

To learn more and for other helpful resources go to <https://www.alabamapublichealth.gov/immunization/ask.html> But, again, the best recommendation we can give is to check with your doctor to see what you need to keep you healthy.

The Pressbox

By Ricky Mularz, Sports Editor

Our youngest grandson Cannon has become a Carroll Eagle football fan this season, and while the Eagles have struggled on the field, the game last week was his favorite as a helicopter landed at the stadium as part of 'Military Appreciation Week' and he got a close up look at the chopper. The score? He could care less!

For what it is worth....

*** **The Elba Tigers kept alive their hopes** of a region title last week with an impressive 49-22 win over the Georgiana Panthers in a battle of teams tied atop the region standings. The Tigers scored on all seven offensive possessions and averaged almost 12 yards per carry on 34 running plays to wear down the Georgiana defense, while on defense the Tigers allowed only 18 yards passing and limited the high-powered Panthers to just over 200 yards in total offense.

On offense, the Tigers went into the game averaging over 53 points per game to lead the state and did little to change that stat as they scored every time they got their hands on the ball and had two scoring drives over fifty yards, two more that covered over sixty yards and a 94-yard run for a score. Elba showed a few different formations in the win, but again relied on its running attack to do the damage and in the second half it looked like Georgiana was content to just run the ball, keep the clock running and to get back on the bus.

On defense, the Tigers did allow over 200 yards on the ground, but made big plays to keep the Panthers from ever getting comfortable and for the third straight week turned in a winning effort. At the midway point in the season the Elba defense was ranked last in Class 1A and was giving up over 46 points per game. However, in the last three weeks the Tigers have allowed a total of just 36 points and all of the sudden it looks like the defense has developed a personality and has become a force to reckon with.

The Tigers are now on a roll with six straight wins, and with a very dangerous region opponent coming to town this week and the playoffs just around the corner, they are going to have to keep working hard every day to be the best they can be and become the team everyone in the state

was expecting to see when the season kicked off back in August.

*** **It was a so-so week for the teams in the area** as both Kinston and Zion Chapel claimed big wins, while New Brockton and Brantley both lost heartbreakers that ended their post-season plans. * Kinston snapped a two-game scoreless streak with a big 48-20 win over Pleasant Home that pumped life back into the Bulldogs in a game in which a number of younger players got to get valuable experience due to injuries and tasted the thrills of victory. * Zion Chapel did what it had to do to get past Calhoun in a 35-0 region road win that should provide a spark the Rebels can use as they try to post the team's best record in a long time. * New Brockton saw what could have been a big region road win snatched away in the closing minutes due to a blocked punt in a 36-33 loss to Straughn and left the Gamecocks wondering about what could have been in a year filled with emotion. * Brantley was outscored by McKenzie 52-44 in a key region clash and will now be sitting at home when the playoffs begin for the first time in 28 years, in a season that saw the Bulldogs reach highs and lows.

*** **It was another fun week of high school football** all across the state and for once the teams ranked in the 'Top 10' actually enjoyed a winning week, at least for the most part. Here is a quick look back at the week that was.... * Class 1A – The top teams in the 1A ranks went 9-0 for the week, highlighted by Elba's 49-22 win over Georgiana and McKenzie's wild 52-44 win over Brantley. In other action of local interest, Florala flattened Red Level 51-0, Milrly mashed Southern Choctaw, Sweet Water drenched Marengo 41-0 and Leroy lapped Fruitdale 38-13. * Class 2A – The top teams in 2A posted an 8-1 slate, with the only upset being Tuscaloosa Academy's 46-44 loss to Sulligent. In games that carried local interest Cottonwood clobbered Abbeville 62-12, Highland Home hammered Pike Lib 41-0, Arifton attacked Samson 34-0, Houston County calmed down Geneva County 44-30 and Luverne lowered the boom on Barbour County 21-0. * Class 3A – The top teams in the 3A ranks went 9-0, led by unbeaten Glenwood's big 41-14 win over Lee-Scott in a battle of former private school powers. In games that had some local interest, Wicksburg was whipped by Trinity 40-0, Slocomb was slaughtered by Alabama Christian 71-38 and Northside Methodist was manhandled by Houston Academy 57-7. * Class 4A – The top teams in 4A circles went 7-3, with Bibb County being bumped by Fairfield 30-28, Opp getting outscored by Ashford 42-16 and Alexandria being annihilated by Cherokee County 35-7. Closer to home, Daleville dumped Geneva

30-28, Opp getting outscored by Ashford 42-16 and Alexandria being annihilated by Cherokee County 35-7. Closer to home, Daleville dumped Geneva 21-14 in a clash of winless teams and Straughn strapped New Brockton 36-33 with a late score to keep its playoff hopes alive. * **Class 5A** - Two of the top teams in the 5A ranks lost last week as number two Guntersville was bopped by Boaz 42-35 and eighth-ranked Williamson was walloped by Vigor 19-2. Closer to home, Andalusia coasted past Carroll 45-14, Charles Henderson hammered Headland 48-14 and Greenville never had a prayer in a 50-14 loss to Montgomery Catholic. * **Class 6A** – The top teams in the 6A ranks posted an 8-2 slate, with Clay-Chalkville being chomped by Oxford 21-10 and Homewood being hammered by Parker 27-17. In games with some local interest, Rehobeth was routed by Stanhope Elmore 47-21 and Pike Road pummeled Russell County 46-14. * **Class 7A** – The big boys in 7A struggled a little as the top teams managed only a 6-4 slate, with Central of Phenix City getting caught by Opelika 23-14, Thompson getting topped by Hoover 27-26, Carver getting clubbed by Auburn 29-14 and Baker getting bumped by Mary Montgomery 34-31. Closer to home, Enterprise took a giant step toward the playoffs with an easy 42-0 jog past JAG, and Dothan dominated Smiths Station 48-0.

*** **It was another winless week** for many college football fans in this part of the state as Alabama lost to Tennessee 24-17, Auburn lost to Missouri 21-17 and Troy lost to South Alabama 25-9. As an Alabama fan for life I can only imagine how bad it would be if the Tide didn't have one of the top rosters in the nation, because it is now very evident that the team has one of the weakest coaching staffs in the conference, if not the nation! As for the Tigers, is it possible they simply don't know how to win, or is it at times their coaches coach not to lose instead of coaching to win? And, it is hard to find a place to start for the Trojans as they lost yet again and at least on offense seem to be going backwards. Wow, isn't life in the NIL age great!

*** **Ye Ole Polish Prognosticator** emailed his picks this week, but did include a short message that basketball season will come a lot earlier than usual for most of the teams in the area this year since Kinston, Zion Chapel, New Brockton and Brantley will all hang up their pads in the next two weeks and tie up their sneakers. The local guesspert hit on 32 of his 37 picks last week to keep a solid season underway and left his fearless forecast....

ELBA VS. FLORALA

The Pea River felines will be back in the yard this week and will have to get ready for a litter of kitties from down near the state line that have been lighting up the scoreboard all season long. If the felines show up ready to play they can make a reservation for Mack Wood Field for the first round of the playoffs, If not, it could be time to buy a map. **ELBA 46 FLORALA 36**

KINSTON VS. BRANTLEY

These two packs of 'dogs will get together this weekend looking to soothe their wounds after a disappointing season, and while only one pack will get to enjoy a big meal after the battle, both will get to take a sneak peek ahead to roundball and possible payback for what happened. This one looks easy to pick.... **BRANTLEY 47 KINSTON 12**

ZION CHAPEL VS. BARBOUR COUNTY

The troops from up at Fort Jack will head outside the walls to do a little hunting over the weekend and will be looking to bag a few furs for the coming cold months ahead. While this is a region clash, it may be more like shooting fish in a barrel for the troops. **ZION CHAPEL 42 BARBOUR COUNTY 0**

NEW BROCKTON VS. PIKE COUNTY

The roosters from over by the bypass will be back at the coop this week and will be looking to chase away a litter of bulldogs that have been known to cause problems whenever they get out of the pen. There may be some crowing to hear as the game goes along, but the guess here is that the bulldogs leave town with a win. **PIKE COUNTY 36 NEW BROCKTON 35**

With homefield advantage on the line

Tigers brace for high-flying Florala

The Elba Tigers will be looking to close out the regular season with a bang and move into post-season play on a roll Friday night when they host the Florala Wildcats, in a key region clash at Tiger Stadium,

that will decide whether the Tigers will open post-season play at home, or on the road.

Elba owns an 18-14-4 series edge over Florala, won last season 56-28 and has claimed four wins in

a row over the Wildcats in a high-scoring series in which the Tigers have averaged 58 points a game during the four-game streak.

"Florala has a really good high school football team that is more than capable of beating anyone on its schedule on any given night," stated Elba's Coach Marc Sieving. "It has been a high scoring team for a long time and this year is no different as it has scored over thirty points in all its wins, and averaged sixteen points a game in its only two losses. Florala is a very dangerous team and we know it will take out best effort in all areas to get a win."

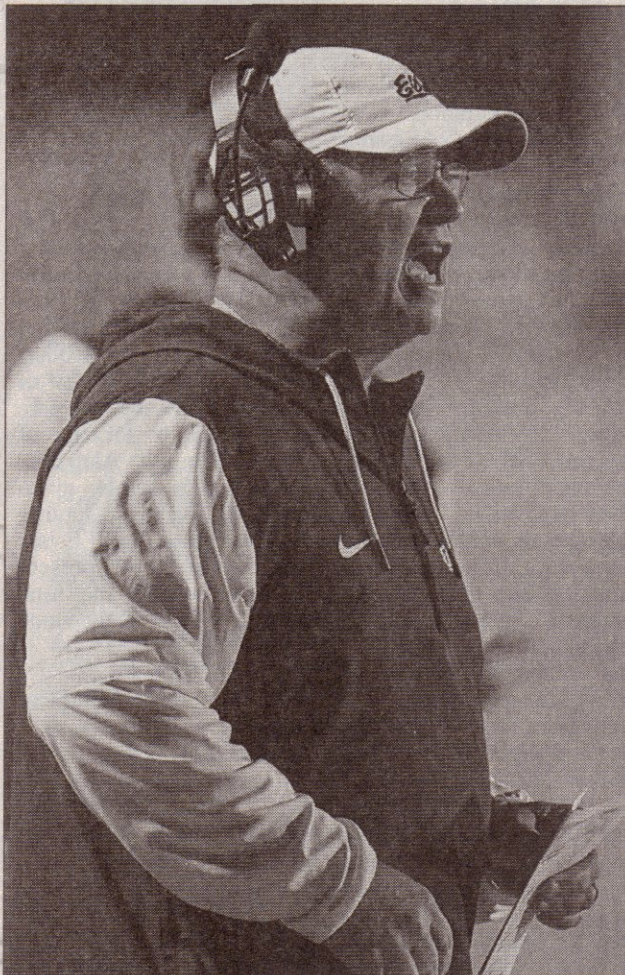

"Florala is really playing well right now and there is no doubt they will be excited when they get here Friday night and will be filled with confidence," added Sieving. "On offense they are similar to Georgiana in that they will spread the field, but they are just as confident running the ball as they are passing. Rayshon Coleman was the quarterback the last two years and really gave us fits, and he is now at running back and is a threat on every play. The new coach has his son at quarterback, and he does a really good job making decisions and running the offense. They also have a tall received that is a target, and on offense they are just very explosive and do a good job at everything they do. Over on defense we really don't know what their plans are, but we think they will put a lot of folks at the line of scrimmage to try

and stop our running game, which is obviously what we do best. They aren't real big on defense, but are aggressive and really get after folks. Florala is a very good football team and we know we will have our hands full on Friday night."

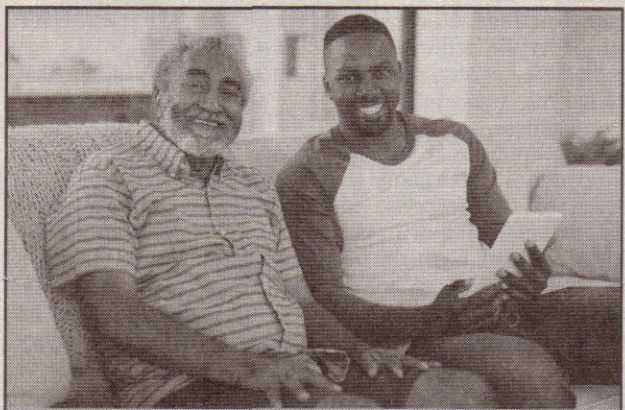

"For us to be successful against Florala we will need to play hard on both sides of the ball, cut back on penalties and play smart, but aggressive," said Sieving. "On offense we will have to remember our rules in the line and block well no matter what they throw at us, while over on defense we need to tackle well and try to steal some possessions with stops and turnovers. It is going to be a very physical game against a team that has some playmakers, and we need to go out there and play our best for all four quarters."

When asked about last week's 49-22 win over Georgiana, Coach Sieving stated, "We were able to take charge in the first half and played well on both sides of the ball. On offense we scored on all seven possessions and just lined up and ran straight at their defense, and on defense we did a good job in the first half getting after them and stopping the pass. We gave up more yards in the second half on the ground than we would like. However, it was a big region win against a quality opponent and gave the players a real shot of confidence."

Kickoff for Friday night's region clash will be at 7:00 pm, at Tiger Stadium.

The Elba Tigers scored on all seven offensive possessions in an impressive 49-22 region win over the Georgiana Panthers, Friday night at Tiger Stadium.

Elba received the opening kickoff and set the tone for the game as the Tigers drove 63 yards in eight plays to grab an early lead. Cayden Adkins rushed for 19 yards on two carries to help lead the Tigers down the field, while Alvin Henderson rushed for 41 yards on four carries and

the 12-yardline, cut across the field to the sidelines and raced 88 yards for a Panther score. A two-point pass missed its target, but with 8:01 remaining in the quarter the Elba lead had been cut to 7-6.

Elba began its ensuing possession at its own 43-yardline and this time it took the Tigers six plays to get back into the endzone. Cayden Adkins and Jacob Ledbetter combined for 26 yards on the ground on the scoring drive, while Alvin Henderson rushed for 16 yards on three carries and capped the drive with a 1-yard scoring run. Davis added the extra-point as Elba's lead grew to 14-6

back across midfield and forced a punt.

Elba began the game's next possession at its own 32-yardline and the Tigers promptly marched 68 yards in six plays to extend their lead. A 30-yard run by Jacob Watkins and a 17-yard pass from Cayden Adkins to Watkins sparked the long scoring drive, while Alvin Henderson rushed for 26 yards on three carries and scored the Tiger touchdown on an 8-yard run. Adkins ran in a two-point conversion as Elba pushed its lead to 22-6 with 5:47 left in the second quarter.

Elba found itself backed up at its own six-yardline late in the half after a Georgiana punt and a penalty on first down, but this time it took only one play to find its way back into the endzone as Alvin Henderson took a snap, sprinted to his right and raced down the sidelines 94 yards for his fourth td of the half. A two-point run failed to add points, but with 1:33 left on the clock Elba was on top 28-6.

Georgiana was forced to punt on its initial possession of the second half, but the Tigers simply picked up where they had left off as after a 35-yard punt return by Alvin Henderson Elba needed five plays to add to their advantage. The score came on a 10-yard run by Jacob Ledbetter, and Trai Davis added the extra-point as the Tigers lead ballooned to 35-6 with 7:10 remaining in the third quarter.

Georgiana turned to its running attack following the Elba score and marched 72 yards in eight plays to stay alive. Jacobie Morgan rushed for 45 yards on three carries to lead the Panthers down the field, while Frederick Curry capped the drive with a 2-yard scoring scamper. Curry also ran in the two-point conversion, and with 2:35 left in the quarter Elba's lead stood at 35-14.

Elba continued its offensive domination on its next series as after a 40-yard kickoff return by Alvin Henderson the Tigers went 40 yards in three plays to add to their lead. Cayden Adkins scored the Tiger touchdown on a twisting 40-yard run, and Davis added the extra-point as Elba upped its lead to 42-14 with 43-seconds left in the third quarter.

Georgiana continued to pound the ball straight ahead against the Elba defense on its ensuing possession and this time went 65 yards in ten plays to reach the endzone for the last time. Curry capped

the drive with an 8-yard scoring run and also added the two-point conversion as the Panthers crept within 42-22 with 7:07 remaining on the clock.

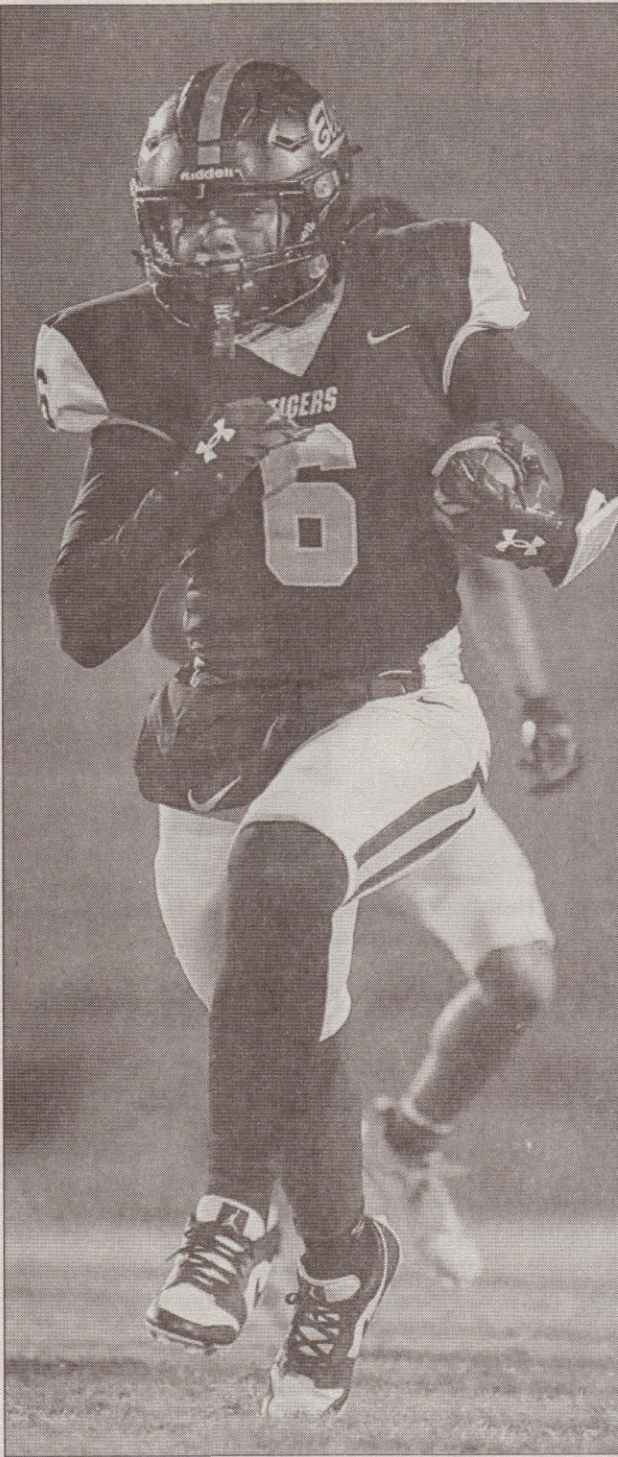

Elba put the ball in play near midfield after a 23-yard kickoff return by Alvin Henderson and on its final possession marched 51 yards in five plays to seal the deal on the big region win. Alvin Henderson rushed for 56 yards on four carries and scored on a 2-yard run with 4:53 left to spark the scoring drive, and Trai Davis added the extra-point as the Tigers remained tied atop the region standings with the impressive 49-22 win.

Alvin Henderson rushed for 251 yards and 5 touchdowns to lead the Elba offensive attack, while Cayden Adkins added 87 yards and one td on 11 carries, Jacob Watkins added 30 yards on one carry and pulled in one pass for 17 yards, and Jacob Ledbetter rushed for 22 yards and one td on three carries.

Jacobie Morgan rushed for 81 yards on 13 carries to lead Georgiana, while Frederick Curry added 39 yards and two touchdowns on 12 carries.

Elba Tiger fan Faye Kyle prepares to fire the cannon after an Elba Tiger touchdown from her spot atop Mack Wood Field in last week's 49-22 region win over Georgiana.

Kinston Bulldogs feast on Eagles 48-20

Statistics by W.J. Adcock
Photos by Linda Hodge

The Kinston Bulldogs took command early and never looked back last Thursday night in a big 48-20 region win over the Pleasant Home Eagles, at Bulldog Stadium.

Kinston received the opening kick and promptly marched 66 yards in 12 plays to grab an early lead. Jon Simmons completed an 18-yard pass to Colby Tew and a 24-yard pass to Judd Green to help spark the scoring drive, while the touchdown came on a 1-yard run by Tew. Simmons passed to Tew for the two-point conversion, and with 5:33 left in the first quarter the Bulldogs were already on top 8-0.

Kinston got the ball back at the Pleasant Home 43-yardline on a pass interception by Whitt Floyd and eight plays later was right back in the endzone. A 27-yard run by Colby Tew was a key play in the drive, while the score came on a 7-yard run by Jon Simmons as the Bulldogs lead grew to 14-0 with 41-seconds remaining in the quarter.

Pleasant Home showed signs of life on its ensuing possession and got on the scoreboard on a 42-yard run by Jacob Bryan, and after Devonte Purifoy ran in a two-point conversion, the Eagles were within 14-8 with 10:28 left in the

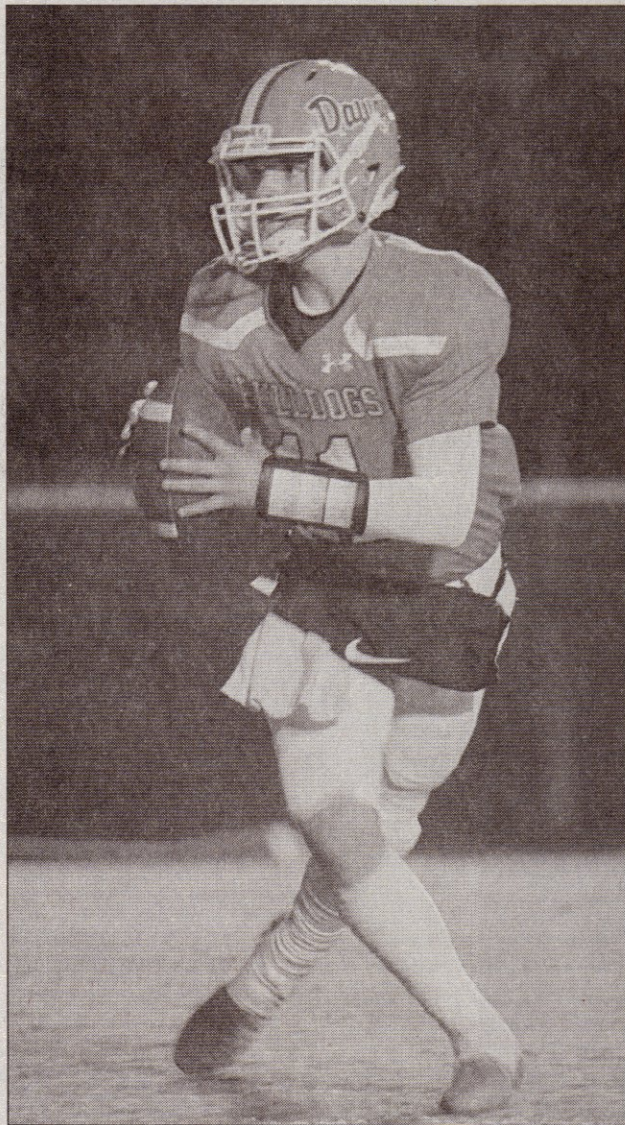

second quarter.

Kinston needed only two plays to regain command; however, as Colby Tew broke loose and raced 62 yards for his second touchdown of the half, and Simmons passed to Tew for the two-point conversion as the Bulldogs lead grew to 22-8 with 9:44 remaining in the quarter.

The Bulldogs put the ball in play at the Pleasant Home 20-yardline late in the half after a bad snap on an Eagle punt attempt, and from there needed four plays to get back into the endzone. The score came on a 2-yard run by Tew, and Simmons passed to Green for the two-point conversion as Kinston went on top 30-8 with 4:01 left in the second quarter.

Kinston's Easton Parker recovered an Eagle fumble on the first play of the third quarter at the Pleasant Home 20-yardline, and this time it took the Bulldogs three plays to reach paydirt. Jon Simmons scored his second touchdown of the game on a 13-yard run, and while the extra-point try failed, the Bulldogs lead had grown to 36-8 with 10:33 left in the quarter.

Pleasant Home put together its best offensive series of the night on its ensuing possession and drove 76 yards in 18 plays to get back on the scoreboard. Devonte Purifoy rushed for 23 yards on seven carries and completed one pass

for 14-yards to spark the Eagle offense, and it was Purifoy that capped the long scoring drive with a 1-yard run as Pleasant Home pulled within 36-14 with 17-seconds left in the quarter.

Kinston's Judd Green recovered an Eagle fumble at the Pleasant Home's 37-yardline early in the fourth quarter to set the Bulldogs up with a short field, and Kinston cashed in the turnover when Colby Tew scored on a 24-yard run. The extra-point try again failed, but with 10:09 left on the clock Kinston was on top 42-14.

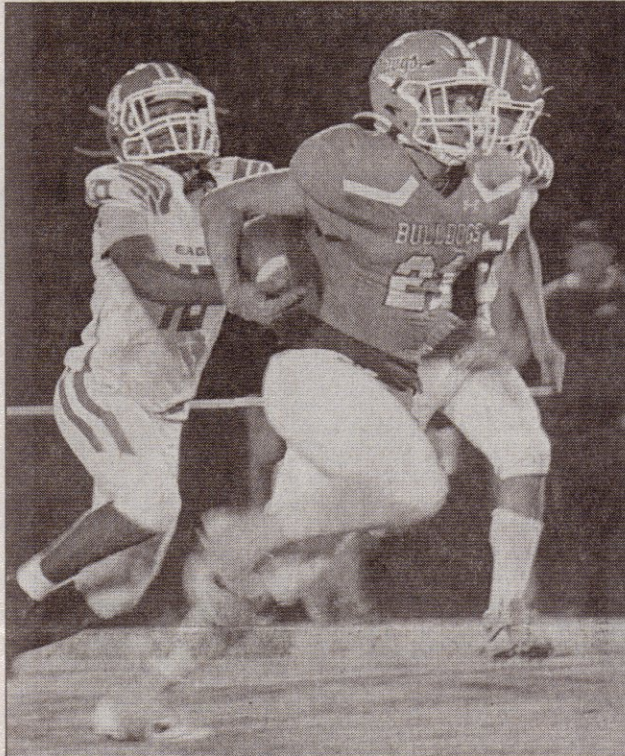

Pleasant Home capped a 66-yard scoring march

with a 1-yard run by Bubba Helms on its ensuing possession to pull within 42-20. However, Kinston also added another score on a 50-yard touchdown toss from Jon Simmons to Judd Green with 1:15 remaining as the Bulldogs closed the scoring and claimed the big 48-20 region win.

Colby Tew rushed for 156 yards and 4 touchdowns to spark Kinston's offensive explosion, while Jon Simmons added 36 yards and two touchdowns rushing on six carries and also completed 4 of 6 passes for 99 yards and one td toss, and Judd Green had two catches for 74 yards and one td.

Kinston Bulldog cheerleader and the Bulldogs were all soaring high last week in Kinston's 48-20 region win over Pleasant Home.

Prep Grid Preview

The high school football season will continue this week with all four area teams looking to add region wins to their season resume.

Following is a preview of this week's games:

Kinston at Brantley

The Kinston Bulldogs will be looking to close out regular season play with a bang Friday night when they head to Brantley to tangle with the Brantley Bulldogs.

Brantley owns a 34-4 series edge over Kinston and won last season 30-27, while the last Kinston win came back in 1991.

Kinston will enter the game fresh off a big 48-20 win over Pleasant Home, while Brantley will bring a disappointing 4-4 record into the clash after a 52-44 loss to McKenzie that knocked the Bulldogs out of playoff contention for the first time in 28 years.

Barbour County at Zion Chapel

The Zion Chapel Rebels will be back at home Friday night when they host the Barbour County Jaguars

Barbour County won the only previous meeting between the new region rivals 22-10 in the playoffs back in 2011.

The Rebels evened their record at 4-4 last week with a solid 35-0 road win over Calhoun, while the Jaguars slipped to 0-7 with a 21-0 loss to Luverne.

Pike County at New Brockton

The New Brockton Gamecocks will be at home Friday night when they host the Pike County Bulldogs, in an important region clash.

Pike County holds a 2-0 series edge over New Brockton and last season posted a 35-21 win.

The Gamecocks will carry a 3-6 record into their season finale after a 36-33 road loss to Straughn, while the Bulldogs will enter the game with a 3-5 record and will be coming off a 43-34 loss to Dale County.

Brantley Bulldog cheerleaders predict a Bulldog victory prior to a recent region contest.

Brantley drops key region clash 52-44

From combined reports

The Brantley Bulldogs and McKenzie Tigers met in a crucial region match-up Friday night at McKenzie and after swapping punches for four quarters it was the Tigers that were still standing at the final horn after claiming an exciting 52-44 win.

The win upped McKenzie's region record to 6-1 with one game left and set the Tigers up as the favorites to claim the region title, while the loss dropped Brantley's region record to 3-3 and puts their 27-year playoff appearance streak in doubt.

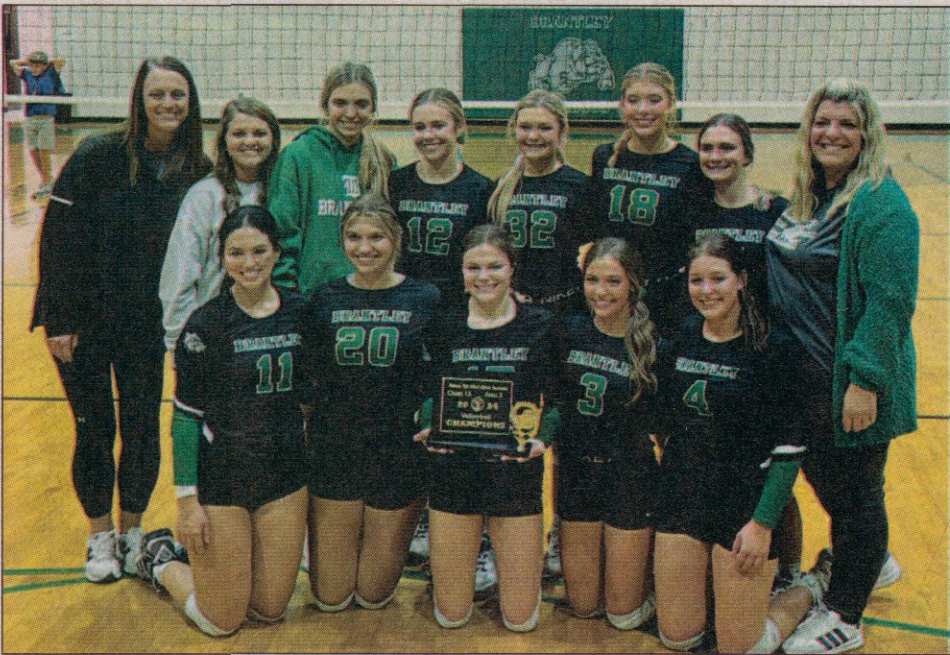

McKenzie jumped out to a 16-6 first quarter lead and answered every Brantley rally as the teams scored on almost every offensive

series with the Tigers taking a 24-22 advantage in at the half.

McKenzie upped its lead to 32-22 early in the third quarter to stretch its advantage, only to see the Bulldogs rally once again and score the game's next two touchdowns to go ahead 36-32 late in the quarter.

The Tigers moved back on top 38-36 early in the fourth quarter and then scored the game's next two touchdowns to open up a big 52-36 lead. Brantley never backed down from the challenge and pulled within 52-44 late in the game, but ran out of time and dropped the key region clash as the Bulldogs lost for the fourth time in their last five games.

New Brockton loses late 36-33

Statistics by Brandon White

The New Brockton Gamecocks and Straughn Tigers battled for four quarters Friday night in a Class 4A barnburner and when the clock finally reached :00 it was the hometown Tigers that emerged with the exciting 36-33 region win.

Straughn scored on its initial possession when the Tigers capped a 76-yard drive with an 8-yard run by Cameron Adams, and after Brenden Bartholomew kicked the extra-point, Straughn was on top 7-0 with 10:15 still left in the first quarter.

New Brockton fumbled on its first series and then saw a faked punt fail to pick up needed yards on its second series, and Straughn took advantage of the failed fake punt attempt to quickly add to its lead as Adams scored on a 24-yard run and Bartholomew added the extra-point to push the Tigers lead to 14-0 with 4:39 remaining in the quarter.

New Brockton came roaring back after the second Tiger touchdown and cut the lead in half at 14-7 with 4:06 remaining in the quarter when Anthony Silar broke loose and raced 66 yards for a score, and Cayden Avalos kicked the extra-point, while the Gamecocks regained possession at the Straughn 39-yardline on a Tiger turnover and cashed in the short field when Silar scored on a 3-yard run to pull within 14-13 with 10:44 left in the second quarter.

Straughn headed back

New Brockton Gamecocks take the field for a big region encounter in recent football action.

downfield on its ensuing possession and thought it had crossed the goal line for a score. However, New Brockton's Dawson Peacock alertly scooped up what was ruled a Tiger fumble and raced 99 yards for a Gamecock touchdown, and after Avalos booted the extra-point, New Brockton had erased a two-touchdown deficit and owned a 20-14 lead with 6:21 left in the half.

Straughn scored with 1:18 left in the half on a 21-yard run by Charlie Jordan and Bartholomew again added the extra-point as the Tigers carried a 21-20 advantage in at intermission.

New Brockton went back on top on the second play of the second half when Anthony Silar broke loose again and this ramblled 82 yards for a touchdown, and Avalos again added he extra-point as the Gamecocks regained the lead 27-21.

Straughn answered the Gamecock score and moved back ahead 28-27 with 5:07 remaining in the third quarter on a 9-yard run by Mack McIntyre and the extra-point by Bartholomew, and while New Brockton failed to score on its ensuing possession, the Gamecocks regained possession on a Tiger fumble and cashed in the turnover on a 5-yard run by Jacob Fisher. A

two-point try failed to add points, but with 10:19 left in the fourth quarter New Brockton was back on top 33-28.

The New Brockton defense got a stop on Straughn's ensuing possession, but failed to move the chains and on fourth down attempted to punt, only to have the punt blocked, with Straughn taking back over at the Gamecock 30-yardline.

Straughn's Charlie Jordan scored on a 15-yard run three plays later, and after a two-point pass from Tate Watson to Clark Gay, the Tigers owned a 36-33 lead with 2:34 left on the clock.

New Brockton moved the chains once on its final series, but turned the ball over on an interception as Straughn survived to hand the Gamecocks the wild 36-33 region loss.

Anthony Silar rushed for 254 yards and three touchdowns on 33 carries to lead the New Brockton offense, while Jacob Fisher rushed for 37 yards and one td on 10 carries. The Gamecock defense was paced by Bryant Crumpler with 13 tackles, one sack and two forced fumbles; Baylon Foster with 7 tackles; Gavin Hand with 4 tackles and a fumble recovery; Peyton Collins with 4 tackles; and, Jacob Fisher and Dawson Peacock, both with 2 tackles and a fumble recovery.

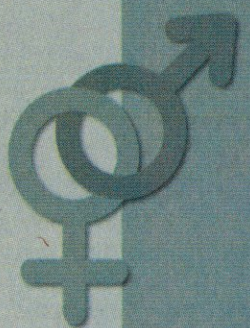

Zion Chapel Rebel cheerleaders had an easy time keeping the fans fired up last week in the Rebels 35-0 region road win over Calhoun.

Only Human

Dr. Laura Schlessinger is the host of a popular talk radio program. She is frequently asked what question she most often receives from her radio audience. She answers, "The caller usually wants to know this: 'Now that I've done all these things I shouldn't have done, how can I avoid the consequences I knew about, but denied and just hoped wouldn't happen?'" Dr. Schlessinger confesses that her pet peeve is the frequent protest that one is "only human." "Only human?" she asks. "As if one's humanness were a blueprint for instinctive, reflective reactions to situations, like the rest of the animal kingdom. I see being 'human' as the unique opportunity to use our minds and wills to act in ways that elevate us above the animal kingdom. Schlessinger then underscores her point with an illustration from the classic film "The African Queen." Charlie, who is played by Humphrey Bogart, invokes the "only human" excuse to explain his drunkenness

the evening before. Rosie, the missionary played by Katherine Hepburn, looks up from her Bible and sharply replies, "We were put on earth to rise above our nature." Nothing says repentance better than change. When we truly repent, we rise above our nature and begin to live as our Creator meant for us to live. —L.D.C.

What does the Bible say about... God's Existence and Creation?

Article written by Douglas Williams

"In the beginning God created the heaven and the earth" (Genesis 1:1). This first verse of the Bible states the existence of God who had always existed from eternity past and will always exist in future eternity. "Before the mountains were brought forth, or ever you had formed the earth and the world, even from everlasting to everlasting you are God" (Psalm 90:2).

Genesis 1:1 also states that God created all things in six days which included the highest order of his creation of man and woman.

"For every house is built by someone, but He who built all things is God" (Hebrews 3:4).

"The heavens declare the glory of God; and the firmament shows his Handiwork" (Psalm 19:1). We can look around and see such strong evidence for the existence of God that the Bible says, "The fool has said in his heart, there is no God" (Psalm 14:1). People, who say there is no God (atheists), are those who deny their maker. Atheists suppose that matter is self-existent by chance, which is by the blind forces of nature guided by no intelligence. They are foolish for thinking the universe had no builder, and that there is no designer behind the designs seen in nature all around us. They are foolish for thinking that an effect came about without an adequate cause to produce it. They are saying we have design without a designer, and consistent and constant

love of nature without a lawgiver. Further, they are foolish for supposing that the first thing ever to exist was dead, lifeless matter and that by spontaneous generation, without any design or maker, all things came into existence. In other words, "From the dead the living came forth." People are foolish for exchanging God for such absurd ideas.

It is a million times more reasonable to believe that the living God created all things as the Bible says. All life has come from preceding life, all the way back to God, the first life. The universe and all things proclaim a designer and builder who was God and their very existence proclaims the existence of God in His wisdom and power as builder and creator.

Things do not just happen. The very existence of a beautiful building proclaims the existence of the architect and builder. Storms, earthquakes, tornadoes, etc., never designed nor built beautiful buildings, but as we know they have destroyed them.

When we consider the wonders of nature and the complexity of the human body, we know these things did not just happen. For example, the marvelous camera called the eye was designed and made by God, just as certainly as cameras are designed and made by people. Therefore, God is. He has a real existence and created all things (Hebrews 11:6).
